

An aerial photograph of Windhoek, Namibia, taken at sunset. The city is spread out across a valley, with a prominent church with a tall, dark spire in the center. The sky is a mix of orange, yellow, and blue, with the sun low on the horizon behind a range of mountains. The city's architecture includes a mix of modern and older buildings, interspersed with green trees and palm trees. The overall scene is peaceful and scenic.

A COUNTRY THAT WORKS

HOW NAMIBIA DESIGNED
A HUMAN FIRST
DIGITAL NATION
